Hello,
I plan to visit Sousse at April (arrive at 12th) and I would like to know what kind of places (club, disco, bar) are there? Will be there any big parties? And the clubs have any webpage?
Thank you for any infos ;)

I am back from Sousse, Tunisia and I have to say:
the country and the beach is nice
BUT
the nightlife is not exist, the clubs are bad and shitty :S
and the local people who go out are fags :S
so if anyone wants to go out and party then please DO NOT visit Sousse!

:(:(
